PRACTICE SCHEDULE

The night of the coaches meeting, each coach will assign his/her team practice days and times. He/she will keep these days until the games begin. If there are any problems or conflicts with the days that the coach chose, he/she will have a list of all the coaches in the appropriate age group to try and trade a day with other coaches. Until games begin practices will be scheduled Monday - Saturday with each team getting one practice time in during the week and one practice on Saturday. Practice times may begin at 5:30 during the week and 9:00am on Saturdays. Each team will have an hour practice. After games begin there will be very few practice nights available. PCRD REQUEST POLICY

No child will be moved from one team to another after draft has taken place.

The only children who are guaranteed to play on the same team will be siblings or children who live in the same household.

If you have a legitimate “hardship” request that you would like to make it must be done in writing on a PCRD Request Form when you register your child. TRUE transportation request will then be considered by the Pickens County Recreation Director & Staff along with the Pickens County Recreation Board “Request Review Committee”. If it is deemed a true hardship request it will be presented at the draft for final approval by the coaches in that age group.

If you do not want your child to play for (1) particular coach it must be done in writing before the day of the draft. If your child can not play for a particular coach during the year he/she will be ineligible for All-Stars if that coach is selected as the All-Star Coach.

There will be no exceptions to these rules.
